

REMARKS

New claims 12 and 13 are added to even further define over the prior art, e.g. Wagner DE '440, noting for example claim 10 of Wagner. Support is provided by applicant's examples

Applicants respectfully await the results of a further examination on the merits, it being noted that the examiner refused to enter the proposed amendment submitted after final Rejection, which amendment has now been entered by virtue of applicants having filed and RCE. New claims 12 and 13 having been added above, and applicants further request an examination on the merits of said new claims 12 and 13.

Applicants advise that the corresponding application in Sweden has been recently been approved.

Respectfully submitted,
